**President Elect Message**

Happy New Year,

As I write this it is snowing outside. The end of December and the first part of January were very cold. We had temperatures getting down in the single digits and as low as 0 degrees a couple nights. Without any snow on the ground to insulate our daylilies we just hope there will not be any damage. The next couple nights is expected to get down in the single digits with a slight warming trend through the weekend. I am glad that we have some snow on the ground this time to provide insulation.

I hope the New Year will be kind to all DSL members as we try to stay warm and have dreams of warmer temperatures ahead. It is just 64 days until Spring and

I can't wait.

Claudia is working on programs for 2018 and has come up with some great speakers. She still needs to fill dates for May, July, August, and October. If anyone has any ideas for programs I'm sure she will like hear from you.

I am providing a membership renewal form in this newsletter. You can renew by sending a check to Bev Crittenden or wait to pay at the February meeting.

Since we will have a booth at the Louisville Home & Garden Show in March, you may want to think about working at the booth. This is a good time to get the word out to the public about our perfect perennial, daylilies. We may even pick up some new members.

Stay warm,

Don Wolff

*He who marvels at the beauty of the world in summer will find equal cause for wonder and admiration in winter.... In winter the stars seem to have rekindled their fires, the moon achieves a fuller triumph, and the heavens wear a look of a more exalted simplicity. ~John Burroughs, "The Snow-Walkers," 1866*

## Program suggestions

In order to have fun and educational programs for future meetings we all need to think about what we want to have at our meetings. Collectively we should be able to come up with some good ideas. Please let Claudia f know what you want to hear about in future meetings.
