Division II - Horticulture Off-Scape

Single blooms off-scape (Section 1 through 7) - Display Only

Division III - Educational

A display of educational materials which are available through membership in the American Hemerocallis Society.

General Rules

1. Exhibition is open to all daylily growers. Horticulture entries must have been grown, groomed and entered by the exhibitor(s). Entries may not be entered by anyone not at the same physical address as the owner/groomer of the daylily. (Exhibitors may not ask anyone to enter their flowers for them).
2. Only AHS members are eligible to win AHS rosettes and other society sponsored awards. However they may be new members who join at show.
3. All entries will be received (checked by Classification Committee) between the hours of 8:00am and 10:00am. Late entries arriving after 10:00am may be entered **FOR DISPLAY ONLY and will not be judged. Entries will not be placed in the display area after 10:00am.** No entries will be removed before 4:30pm. Exhibits not removed by 5:00pm will be discarded. Ribbons and awards, if not claimed at this time, will be made available at a later date upon request.
4. Uniform Containers and official AHS entry tags will be furnished by the club (or sponsoring organization)
5. **Only members of the Placement Committee are permitted to place entries in the display area.**
6. Judging will begin promptly at 11:00am. Only Judges, Clerks, General Show Chair, Judges Chair, Classification Chair, and the Photographer will be allowed in the exhibition area during judging.
7. Show officials and The Daylily Society of Louisville will exercise all precautions for protecting exhibits but neither they, nor Mid-City Mall will be responsible for any loss or damage that may occur.

Horticulture Rules

1. All horticulture exhibits eligible for AHS rosettes and medals must be entered on scape.
 2. Registered cultivars are to be entered on scapes whose overall height does not exceed 28 inches
 3. All seedlings (including pre-registered cultivars) shall be severed as near the base as possible regardless of height. If height of the seedling makes transport difficult, if not impossible, the exhibitor may trim the excess scape height, preserving the cut portion of the scape. The cut portion of the scape must then be placed alongside the base of the container holding the entry
 4. A seedling having won the AHS rosette in any other show is not eligible.
 5. Entry tags for seedlings must be marked with the word **SEEDLING** in the space for cultivar name. Names, numbers or any other identifying marks are not permitted on the visible portion of the folded tag.
 6. Eligibility for exhibitors in the youth sections shall continue through the end of the calendar year following the youth's eighteenth birthday.
 7. Cultivars listed on the official spider list must be exhibited in Section 6 unless they are: (1) a Popularity Poll exhibit, (2) part of a local collection, (3) a Youth Section exhibit, or (4) registered as a multiflorous cultivar.
- Continued on Page Two*

8. Cultivars whose names are not listed in the AHS Checklist or supplements may not be exhibited in any Division, Section, Class, or Group where registered cultivars are specified. They must be entered in the seedling section (Section 10). They may also be entered in the Ophelia Taylor Horticultural Award (Section 12) in class 2. They may also be entered in the Achievement Medal (Section 11), however, this option is only available to the hybridizer of the entry. The entry tag must be marked with the word **SEEDLING** in the space for cultivar name. Names, numbers or any other identifying marks are not permitted on the visible portion of the folded tag.
9. Popularity Poll cultivars must be exhibited **only** in Section 9 unless they are Youth exhibits.
10. Unusual form cultivars, registered as such, must be entered in Section 7 and only those listed on the official Unusual Form cultivars list may be entered in Section 7 unless they are: (1) a Popularity Poll exhibit, (2) part of a local collection, (3) a Youth Section exhibit, or (4) registered as a multiform cultivar.
11. Double form cultivars and polymerous form cultivars, registered as such, must be entered in Section 5 and only those listed on the official Double Form Cultivars list, or Polymerous Form Cultivars list, respectively, may be entered in Section 5, unless they are: (1) a Popularity Poll exhibit; (2) part of a local collection; or (3) a Youth Section exhibit.
12. Only one entry per named class is allowed per household.

AHS Standard System of Awards

Judging of each cultivar in each class shall be done by the American Hemerocallis Society system of awards:

- One First (Blue) which must score 90 or above.
- One Second (Red) which must score 85 or above.
- One Third (Yellow) which must score 80 or above.

For registered cultivars, only one blue, red, and yellow may be awarded in a given name class. For seedlings, each exhibit in the section is judged on its own merit and is thus a award-eligible class.

Major Awards

The **AHS Purple Award** is awarded to each blue ribbon winner scoring 95 or more within Sections 1-10 of Division 1.

The **AHS Section Rosette** is awarded to the most outstanding purple ribbon winning entry in Sections 1-10 of Division 1.

The **AHS Best-in-Show Rosette** is awarded to the best of the AHS Rosette winners in Section 1-10 of Division 1.

The **AHS Sweepstakes Rosette** is awarded to the exhibitor winning the most blue ribbons in Division 1, Sections 1-10. In the event of a tie, purple ribbons will be counted. If a tie should still exist, red, then yellow ribbons will be counted.

Special Horticulture Division Awards

The **AHS Achievement Medal** is awarded to the originator of each entry of 3 scapes from a single seedling in Division 1, Section 11 scoring an average of 90 points or more, and which in the opinion of the judges shows adequate merit and distinctiveness as compared with existing cultivars.

Entries must be entered by number as assigned by the Classification Committee. Each of the judges on the panel assigned to judge the entries will point score each scape individually. The score sheets will be returned to the General Show Chair and Tabulation Committee Chair who will tabulate the scores. Scores will NOT be official until they have been verified by the Exhibitions Chair or the Exhibitions Committee.

The **Ophelia Taylor Horticulture Award** is awarded to every 5-scape entry in Division 1, Section 12 that scores 95 or more points per scape for the 5-scape entry. The score sheets will be returned to the General Show Chair and Tabulation Committee Chair who will tabulate the scores. Scores will NOT be official until they have been verified by the Exhibitions Chair or the Exhibitions Committee.

The **AHS Award of Appreciation**, a rosette, may be given at the discretion of the local show committee, not the judges, to one or more noncompetitive education exhibits in Division III to show appreciation for the significant efforts involved.

Local Awards, Division 1, Section 13:

Best Flower By Region 10 Hybridizer. Sponsored by Louisville Area Daylily Society. The AHS Standard System of Awards will be used to determine the best entry in this Section.

Multiform Classification Code for Shows

Before 2008, polymerous flowers were exhibited in the corresponding single flower sections by size. In order to assist Classification chairs in determining where to place them in a show, the Multiform Classification Code was developed. The polymerous and multiform flowers are now exhibited as indicated below:

Registered as:	Place in Show Section:
Double/Spider Flowers.....	Double, Polymerous, & Multiform Flowers
Double/Unusual Form Flowers.....	Double, Polymerous, & Multiform Flowers
Double/Polymerous Flowers.....	Double, Polymerous, & Multiform Flowers
Double/Spider/Unusual Form Flowers.....	Double, Polymerous, & Multiform Flowers
Double/Spider/Polymerous Flowers.....	Double, Polymerous, & Multiform Flowers
Double/Unusual Form/Polymerous Flowers.....	Double, Polymerous, & Multiform Flowers
Spider/Unusual Form Flowers.....	Spider Flowers
Spider/Unusual Form/Polymerous Flowers.....	Double, Polymerous, & Multiform Flowers
Spider/Polymerous Flowers.....	Double, Polymerous, & Multiform Flowers
Unusual Form/Polymerous Flowers.....	Double, Polymerous, & Multiform Flowers
Polymerous Flowers.....	Double, Polymerous, & Multiform Flowers

It is recommended that the Classification and Tabulation committees use the AHS Online Registration Database to classify EACH registered cultivar by typing the cultivar name into the "Advanced Search" screen of the database. The appropriate Horticulture Division I and II show sections will be shown automatically. This will make classification and placement of any registered cultivar easy and almost foolproof. A complete list of multiform registered cultivars will be made available to each show and classification chair.

Judging Standards for Accredited Shows

1. All judging of accredited AHS shows will employ the AHS Standards.
2. All horticulture sections must be judged by AHS Exhibition Judges.
3. Each panel of judges shall be the final authority for each class in which it judges.
4. Only the Classification Chairman has the authority to disqualify any entry which is damaged or does not conform to the schedule.
5. The appropriate AHS Scale of Points will be used for
 - (1) Registered cultivars on-scape
 - (2) Seedlings on-scape, and
 - (3) Individual flowers of registered cultivars off-scape.
6. The AHS Standard System of Awards will be used.
7. All scapes receiving the AHS Rosettes or purple ribbons must score 95 or above by the AHS Scale of Points.
8. Registered cultivars will be classified as registered, by size, form, and grouped alphabetically within each section. No distinction isto be made between the classification of diploids and tetraploids.
9. Each registered cultivar shall constitute a name class. A single entry may be given an award if the judges consider it a superior exhibit. An exhibitor may have only one entry per name class.
10. Each seedling, or pre-registered cultivar (a pre-registered cultivar is considered a seedling), shall constitute a class to be judged on individual merit. Each entry may be given an award if the judges consider it a superior exhibit.
11. If Division 1, AHS Rosette eligible Sections 1-10 are subdivided or judged by more than one panel of judges, the purple awards must be point-scored to determine a single winner since there is only one AHS Rosette for each of these Sections.
